

# SPARE KEY FORM

## TO WHOM SO EVER IT MAY CONCERN

The purpose of sequential interlocking is to safeguard your employees and protect your equipment's.

At Patlon, we have no way evaluating the need of spare keys or any other replacement parts necessary for your safety interlocking system.

Spare keys and locks defeat the purpose of safety interlocking system, therefore these spare keys should be controlled by responsible people.

Patlon is not liable for misuse of spare keys, parts or master keys which might result in death or injury to any person, both employees and third parties.

Kindly fill and sign this form and mail us back so we can process your order.

This is to certify that I, the undersigned have been authorized to accept full responsibility for the above.
